

# Delta Dental Mobile

Helping subscribers manage their oral health

Oral health is important to Delta Dental — and to overall health! Our mobile app to make it easy for your employees to make the most of their dental benefits. Members have access to a dentist search, claims and coverage, ID cards and more, right from their mobile device.

## Getting Started

Delta Dental's mobile app is optimized for iOS (Apple) and Android. To download the app, visit the App Store (Apple) or Google Play (Android) and search for Delta Dental. You will need an internet connection to download and use most of the features of our free app.

## Delta Dental Mobile App Features

- Mobile ID card — no more looking for ID cards!
- Claims and coverage information on the go, putting benefits information at subscribers' fingertips.
- A dentist search that helps members quickly find an in-network provider nearby.
- Our easy to use Dental Care Cost Estimator tool provides estimated cost ranges for common dental services. (Not available in all geographic areas.)
- LifeSmile™ Score, our easy-to-use risk assessment tool, helps subscribers understand their risk for tooth decay, gum disease and oral cancer.
- Our toothbrush timer motivates users to brush for the recommended two minutes.
