

# Your Delta Dental Network

To ensure services are covered and that you receive the greatest value for your dental benefits, it is important that your dentist **participates** in the network listed at the top of your ID card.

## Delta Dental PPO plus Premier™

With Delta Dental PPO plus Premier, you have the option of visiting any dentist. However, your out-of-pocket costs will be lowest if you see a Delta Dental PPO dentist and highest if you choose an out-of-network dentist. Here are some highlights of the plan:

- Delta Dental Premier is the largest dental network in the nation, with nearly 80% of dentists participating nationally. More than half of all dentists participate nationally in the Delta Dental PPO network.<sup>1</sup>

- The discounts under our PPO network are greater than those provided by the Premier network, so we encourage you to visit a PPO dentist when possible.
- Both Delta Dental PPO and Delta Dental Premier dentists agree to discount their fees, submit claims on your behalf and not balance-bill you.

The payment example below shows how much you can save with a Delta Dental in-network provider.
