

Delta Dental Mobile

Manage your benefits anytime, anywhere

Your dental health is important to Delta Dental — and to your overall health! Our mobile app makes it easy to make the most of your dental benefits. Find a dentist, check claims and coverage, view ID cards and more, right from your mobile device.

Getting Started

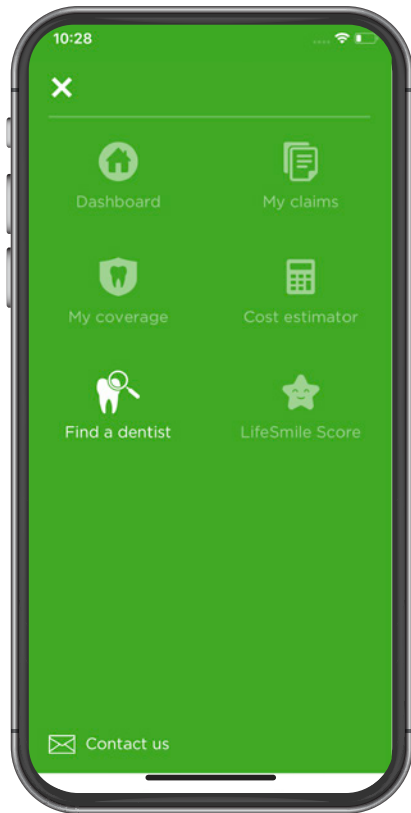

Delta Dental's mobile app is optimized for iOS (Apple) and Android devices. To download our app, visit the App Store (Apple) or Google Play (Android) and search for Delta Dental. You will need an internet connection in order to download and use most of the features of our free app.

Logging In to View Benefits

Delta Dental members can log in using the username and password they use to log in to our website. If you haven't registered for an account yet, you can do that within the app. If you've forgotten your username or password, you can also reset these through the Delta Dental mobile app.

Once logged in, members can use Delta Dental Mobile to find a dentist, take the LifeSmile™ risk assessment, use the Cost Estimator* tool and much more.

*Feature not available in all geographic areas and is subject to dentist participation.

Delta Dental Mobile App Features

Mobile ID Card

There's no need for a paper ID card! View and share your ID card from your phone, and save it to your device for quick access using Apple Passbook or Google Wallet.

My Coverage and My Claims

View information on your plan and coverage details, and check the status of claims. Easily access the whole family's benefit information in one spot.

Find a Dentist

Search and compare dental offices to find one that works best for you. Save your family's preferred dentists for easy access.

Dental Care Cost Estimator*

Find out what to expect with our Dental Care Cost Estimator. Our easy-to-use tool provides estimated cost ranges on common dental care needs for dentists in your area, now with the option to select your dentist for tailored cost estimates.

LifeSmile™ Score

Do you know how your smile scores? Learn more about your personal oral health risk by taking our simple risk assessment survey.

*Feature not available in all geographic areas and is subject to dentist participation.

Secure Access to Your Benefits

You must log in each time you access the mobile app. No personal health information is ever stored on your device. For details about security, view our Privacy Policy by clicking the lock icon from the main menu.
